Your supporter number: 2398

Dear Rosemary,

Thank you so much for your very generous gift of £2250.00. Please accept my thanks on behalf of everyone at South Bucks Hospice to you and your members for this wonderful donation.

The continued support you have kindly shown to South Bucks Hospice has been tremendous. If any of your members would like a tour of Butterfly House I would be delighted to arrange this.

We receive only a small percentage of funding from statutory sources. This means that we rely on the generosity of individuals and groups, to raise the funds we need. We provide free dedicated, specialist nursing care, psychological support, physiotherapy, and complementary therapies, all in a friendly and supportive environment.

Lynsey who attends our bereavement support group says "People see you smiling and happy and think it is all okay, but people don't know what it's like behind closed doors." "I would be lost without the bereavement sessions at South Bucks Hospice. I leave here with a smile on my face." Your donation really does make a difference, and enables us to help more people like Lynsey.

Once again thank you for your support.

With warmest regards,

Yvette Smith
Senior Fundraising Administrator

Dear Grace

On behalf of Florence Nightingale Hospice Charity thank you very much for your kind donation of £2,250.00. Please accept this letter as your official receipt.

It was lovely to meet you last week; a definite perk of the job is getting out and about to meet some of our remarkable supporters. Hope the cold and jet lag soon pass.

Florence Nightingale Hospice provides a range of palliative and end-of-life care services to people in Buckinghamshire and parts of Oxfordshire and south Bedfordshire who have life-limiting illnesses such as chronic lung conditions, cancer and neurological conditions. It has an In-Patient Unit with twelve beds in the Hospice, and it supports patients in the home through the Nightingale 24/7 and Community Nursing Teams.

In addition, the Day Hospice offers physical, therapeutic and emotional support to people who have been diagnosed with a terminal illness, but who are able to live independently at home. The Hospice also runs the Lymphoedema Clinic and cares for and supports families and friends of patients, through the Bereavement Support Team and Florrie's Children's Team.

Florence Nightingale Hospice Charity commits to raise £750,000 each year to fund Florence Nightingale Hospice services, and the Charity recruits and manages a team of over 400 volunteers who support both the Hospice and the Charity.

Once again, many thanks and if there is anything I can do, please ask.

With kind regards,

A handwritten signature in black ink that reads "Simon".
