

Men's Philosophical Society (MPS)

Meeting & Entertainment Calendar 2020

Regular meetings from 8:30 pm until around 10:00 pm

The MPS will meet informally mostly on the second Wednesday of each month in one of our greatly prized village pubs. The purpose is to enjoy a glass of something decent and have an opportunity to discuss the question of the day, thus keeping alive the tradition of informal conversation in welcoming surroundings as men have done throughout history. Just turn up when you can, no booking in required. ALL are welcome

In December the meeting includes an informal seasonal supper at the Black Horse.

Contact Graham Peart for more information on the regular meetings, (or a lift) and to book in for the December supper.
