

Speen Festival Show 2021 - Application Form

Hello! Welcome to the beginnings of the Speen Festival Show 2021. Our theme this year is Folklore and Fairy Tales and we are excited to announce that the show will be a magical, immersive production of Grimms' Fairy Tales, set in and around the village. Participants will all work on a tale and bring it to life however they see fit. We've all developed talents over lockdown, now is your chance to show the village what you can do! We want to incorporate as many people into the show as possible; the only limit to the content of the show this year is your imagination!

Please fill in an application form for each participant even if you are applying as a group. There will be an opportunity to indicate your group members within the form.

Speen Festival is collecting the application form data in compliance with current GDPR law. You are entitled to change your data, view your data or delete your data at any point. Please see Charlotte Downing about any concerns or queries.
